At the opening of last years' Jean Monnet conference, President Barroso invited the Jean Monnet professors to provide their opinions on "How we might recover from the economic and social crisis through European integration deepening". He asked Professor Dusan Sidjanski and Professor Fausto de Quadros to collect your input on this question.

Please find underneath a letter (EN and FR versions) from Prof. Sidjanski and Prof. de Quadros on this issue, in particular, on the content and format of your contributions.

The **deadline** for receiving your contributions is **Friday 28/02/2014**. Please send your contributions to the following e-mail addresses:

dusan.sidjanski@unige.ch

You will find further information on this request in the letter underneath.

I should take this opportunity to thank Professor Sidjanski and Professor de Quadros for kindly agreeing to coordinate this exercise.
